

September 2023

WOW! What else can you say about The House of Quilts Exhibition! WH Quilters excelled themselves in every aspect of this exhibition from the hard work in preparation to the speedy return of the rooms to business as usual.

The House looked amazing, the opening was well attended, the quilts were all spectacular and the visitors were full of praise. A huge thank you to everyone who was involved in this event - you promised outstanding and you delivered in every aspect. Congratulations!

For those of you who missed this event, there is a video on our [Facebook page](#) or alternatively on the website - <https://noosaartsandcrafts.org.au/the-house-of-quilts/> - worth a look.

Now it's time to turn our attention to Noosa Open Studios. This is a major fund-raiser for us - last year was over \$5000 during that week. It is a major disruption to our regular activities and a challenge for the installation team to find space for all the 104 - 2D and 3D artworks.

Please help by putting your name down on the roster to do a shift during these 10 days. We need help in the shop, the kitchen and in all the display rooms. It's important to welcome our visitors and make sure they have a trail guide. The roster will be going up this week.

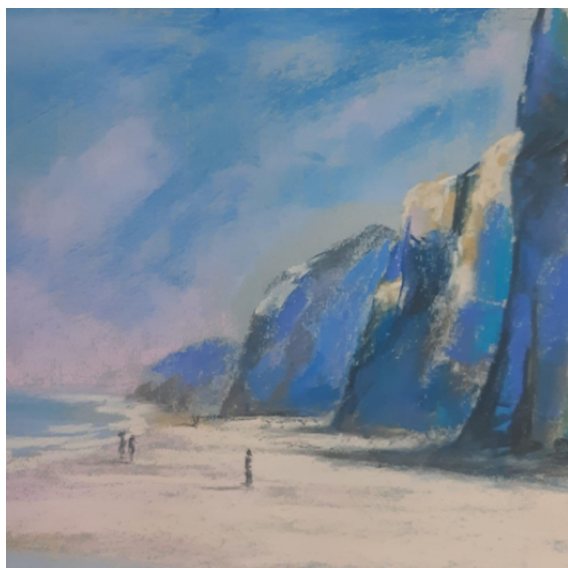

And if you can be anything, please be kind...

Invitation from Jenny Blyth

My husband, Ted passed away, several weeks ago. Some of you may remember him as in the early days of Wallace House, he was one of the husbands who did a lot of work to get us up and running. He owned a large truck which was very handy for transporting things a car could not. He was one of the barmen at most of our functions too.

I am holding a Wake/Celebration of Life for him at Wallace House on September 30 at 4.30pm. This is an open invitation to those of you who remember him and would like to join me.

RSVP to Jenny on 07 5477 4887 - for catering purposes.

Many thanks,

Jenny

November 13 - November 18 will be the Wallace Park 30th anniversary celebration. We will be holding our OPEN HOUSE from November 13 to November 16 and inviting the public to come in and see what we do here in the House.

November 17 - 19 - will be our Christmas Market - it's early we know but as Wallace Park

has a number of activities planned throughout that week, it seemed prudent to take advantage of the increased numbers of visitors and hold our market then.

Please save the dates - more details will be in the next newsletter.
