February 2024

Please always wear your lanyard when you are in the house because:

- **Your lanyard shows that you are a financial member of the association, entitled to be in Wallace House and therefore covered by our insurance.**
- **When joining, you are asked for emergency contact details and any allergies. If you have an accident or a medical episode and your lanyard is not with you, it may cause delays contacting your loved ones and receiving any treatment you may need.**

Your safety is our priority - group leaders, please ensure your group members abide by this important request.

January was a busy month and although the Artastic sale wasn't the success we had hoped for, it was certainly great for bringing the walls of Wallace House back to life and new stock in the Wattle Studio Shop. The participating artists enjoyed each other's company too.

We had a get-to-know-us meeting of Group Leaders and Management Committee members in mid-January and discussed the plans for this year - the proposed dates of the events are listed below. The groups selected for each exhibition were the same as the two exhibitions in 2021 - Shifting Seasons and Arts & Minds - which split the many art groups to allow enough wall space for hanging their work.

We have our artists displaying their work in Tewanin Bendigo Bank followed by our quilters until March 15. Please pop in and have a look next time you are in Tewanin.

Just a reminder - these are the management committee members for 2024 - all with lots of skills and experience to share with the Association. We are so grateful, they are willing to give their time and energy to keep our Centre for Creativity an ideal facility for learning and sharing all arts and crafts.

At our MC meeting this month, following many requests, the visitor visa will be for 6 months instead of 3 months and cost \$60 with immediate effect. New members will pay \$60 and then \$100 at renewal on July 1, 2024. New members from June 1, 2024 pay \$120. Renewals for the 2024-2025 membership year will be \$100 as agreed at the AGM.

We now have two donations tables. One in the Wattle Gallery for books and the other in Hovea for all art and craft items. Our donation table makes about \$3000 per annum for the Association. So if you have any books, art or craft items, you would like to donate, please bring them in.

If you can be anything, please be kind.

Jan

President
