

Roundabout Wallace House February 2024

[View this email in your browser](#)

March 2024

February saw plenty of activity in the House with full workshops and many of our groups with outside exhibitions.

We hosted the Noosa Open Studios AGM recently and they have settled on earlier dates for their event. This will now be from August 30 to September 8. We have therefore decided to bring our 2nd Exhibition forward to July 12 - 14 which will allow our exhibition to be up for over a month before NOS Hub needs to be hung.

A revised list of dates for our events is shown below. Also a list of the next set of workshops in March and April. Still places left on these workshops so please reserve your place soon.

A little bird told me that Josie Gabe was a star and won the quiz which was organised by Noosa Regional Gallery - smart as well as creative - congratulations, Josie!

Please remember to wear your lanyards when you are in Wallace House.

If you can be anything, please be kind.

Jan

President

Christmas & Ceramic Market	November 15 - 17	All
AGM	December 2	All

Our Wattle Gallery is in need of a change of artworks. The present ones have been up for almost two months and we have had a few requests from members to hang some of their work. So if your work has been up for a while, please take it down and allow another artist to use the space for a while.

You can bring your work in - either hang it in an empty space or leave it in Jean's office and we'll hang it as soon as a space is available.

If anyone wants to have their work online - there is always space there. There are instructions on the tables around the house regarding the information required. We have had a few sales!

A much-loved member who passed away a few years ago - Jill Viney - has been remembered once more, when her son, Stuart, came and donated all her art and craft materials. These have all been sorted and are now on the donations table.

With regards to the donations tables, Wendy Goldsmith is doing a great job keeping it fresh and tidy. We are always happy to receive your donations of good quality arts and craft items. It's a good fund-raiser for NSACA but also a great way of recycling.

More than just doilies!

Welcome to a new year of interesting projects.

The Embroidery group finished 2023 with an in-house workshop on Raised Embroidery. This is somewhat time consuming. However, we have attached our photos of a couple of completed

pieces.

This year we are starting with another in-house workshop. This is on Embroidered Landscapes. We have attached a photo of Debbie's partly finished work for "show-and-tell". These items will take some time as well, but we should have something to see for our May Exhibition.
