August 2024

Thank you for renewing on time - a much-needed boost to our bank account.

We are gearing up now for Noosa Open Studios which opens on August 30 at 9am. Please take home your wall art before August 23 as the hanging will commence on Sunday August 25 and completed on Thursday afternoon August 29. A reminder there will be no activity group meetings from Friday August 30 to Sunday September 8.

Those with items in the shop will be contacted shortly, as the shop end of Boronia is needed for NOS so our stock needs to be condensed into the main shop area. Sally and team will be rearranging the cabinets/shelves on August 18, to make room for the delivery of the NOS artworks on Saturday August 24. Your surplus stock items can be collected during the week of August 19 - 22 please.

The rosters for the event will be in the Gallery very soon and we would be really grateful if you would volunteer to meet and greet our visitors, help in the café or the shop. This is a huge event for us and we often have as many as 800 visitors come through the House during those 9 days. The café will be open each weekend.

If you can be anything, please be kind.

Jan

President

PS: Please remember to wear your membership lanyards when you are in Wallace House. These should now have an orange card in the pocket.

POP-UP CAFÉ

We need a volunteer to organise the café (PUC) for the **first weekend of Noosa Open Studios**. Both Exhibition PUC co-ordinators have prior commitments for that weekend. Both are happy to give guidance beforehand if needed.

The café is advertised in the trail guide and is always a very lucrative fundraiser for us. So please if you can spare some time the weekend of **August 30, Sept 1 and 2**, we would love to hear from you. There will be rostered on volunteers to assist but it's the overall set-up that needs a volunteer to make sure we have all the food and beverages available to keep our reputation as a provider of good fare alive and well.

Members Belinda, Joan and Sue enjoying the sunshine on World Embroidery Day - July 30 was the day that members of the Embroidery Group celebrated with a "stitch-in" on the banks of the Noosa River. Many people visited their display, commenting on how unique their work was.

Visitors expected to see tablecloths and doilies and were complimentary towards their work, some of which are described as "Thread Painting" and 3-D pieces known as "Stumpwork".

They enjoyed meeting so many people from interstate as well as locals, and the opportunity to share their art.

A quick reminder to all those who have items in the Wattle Studio Shop. Please volunteer for shop duty - there have been a few spaces recently and it puts pressure on the office if no one is there to take money for vouchers, shop sales etc.

Please ensure you fill out the tags - front and back as shown. Without this information clearly written it makes it difficult for processing payments. Member Sue Hayllar writes up all the sales onto the stock sheets for Robyn Bryant every month and Robyn, another wonderful volunteer, looks after all your shop sales and payments. Both she and Sue are finding it increasingly difficult and

time consuming when tags are not easy to read.

Your attention to these details would be much appreciated. Please check your tags when you are next in the House.

Family History: Textiles Tell Stories

Free. Bookings required.
Noosaville Library
10-11:30 am Friday 30 August

Come along and hear about creative projects using textile family heirlooms and how you can remember loved ones and tell family stories by repurposing fabrics in practical ways.

A National Family History Month event.

For information phone 5329 6555 or visit libraries.noosa.qld.gov.au

This may be of interest to some of our members who are recording their family history. Lots of creative ideas to share.
