EXPRESSIVE ABSTRACTION

by DIANNE SMITH

MAY 24 & 25 9.30am -4pm

Fees for Members \$180 Non Members \$ 210

Acrylic painting workshop - - All levels will achieve great results.

As a starting point participants will make a small booklet exploring and experimenting with different techniques to loosen up. We will then build on our study ideas picking out the important shapes, colours and marks to work on an **abstract or semi-abstract painting**. This expressive and authentic way of working gives all participants the freedom to work abstractly with endless possibilities for future paintings.

Dianne is a qualified Art teacher and a practising artist. She will give lots of guidance in a friendly, relaxed atmosphere.
