'Abstract Landscape Masterclass'
Charcoal & Cold Wax medium
with Kym Barrett
Saturday September 27, 2025 –

9am -4pm –

Members \$100 Non-Members \$140

Join us for this unique follow-up workshop using charcoal sticks, charcoal powder and coloured cold wax medium, focusing on developing dynamic abstract compositions using vibrant tonal contrasts and expressive mark-making.

Participants will learn further application deconstruction techniques with this luscious medium to build upon the skills learnt in the last workshop.

Please note many of the materials and tools for this workshop will be supplied by the tutor, please see the materials list for information on what participants need to bring along.
