Long Pose  
New Life Art Group  
Wednesday afternoons - 1.30pm to 4.30pm.  
Group Leader - Sylvie Carter

This friendly, encouraging group will meet weekly on a Wednesday afternoon to sketch and enjoy an immersive life drawing Long-Pose session with an unclothed model. Participants can usually work seated or at a standing easel. Long-Pose sessions are relaxed, slow-paced and beginner-friendly where participants work with one model holding the same pose for the entire afternoon, usually over several weeks. We allow for a number of breaks for both the model and participants, so they can look around and share their work, including a longer afternoon tea break to swap ideas or just have a chat.

The 10-week terms per year are designed to correspond with the QLD School terms as follows:

**Term 1:** Wednesdays 2026 TBC

**Term 2:** Wednesdays 23,30 April; Wednesdays 7, 14, 21, 28 May; Wednesdays 4, 11, 18 and 25 June 2025
