

Ruffle Some Feathers  
Watercolour Workshop  
with Stacey Petersen  
August 9 - 9am - 4pm  
Members \$95. Non-members \$125

Explore the amazing range of tone and temperature that can be achieved using just two main colours. Experiment with wet-on-wet techniques and granulation to achieve beautiful textures. Enjoy portraying shape, depth and emotion through a simple and confident approach to watercolour.

Participants in this workshop will be encouraged to abandon excessive details and embrace the spontaneity of the watercolour medium, focusing on temperature, light, shadow and texture to capture the character of a bird. All ability levels are welcome.
