Dear All

A quiet month for a change with a few workshops but no major events - time to tidy your cupboards and to make room for new groups to store their group supplies. A skip will be ordered later this month so please make sure all your rubbish is ready to be loaded into the skip.

For all those members who have items for sale in our Wattle Studio shop - please make sure you have a duty booked. The calendar for June still has spaces and with renewals coming up, it's helpful for the office if there is a member on the shop desk.

A big THANK YOU to Ron Gatliff, Louise's husband, for cleaning our mouldy paths and removing weeds too. We are so grateful for your kindness.

A reminder to group leaders - please make sure your group members are aware of the position of the defibrillator. It is in the ceramic studio next to the adjoining door in the foyer. We have added new signs and the door into the ceramic studio has been fixed so it opens easily. Thank you to Dave Gilbert for his handyman skills.

RENEWAL TIME - ALL MEMBERSHIPS EXPIRE ON JUNE 30, 2025.

This is a busy time of the year for the office and so to help Michelle and Louise, we have organised for a renewal payment area in the shop to be operational between 9am - 10am and 1pm - 2pm on weekdays for a month commencing June 16. This will cater for all members to renew their membership in cash or by EFTPOS and receive their new cards (and lanyards if a new membership milestone is reached!). You can also pay [online](#) and collect your new card from the renewal desk when your payment has cleared.

Renewal is \$100 for membership up to June 30, 2026.

House Alarm and CCTV

We are looking for a member who would be willing to go on the callout register for the alarm at Wallace house. Remote access to the alarm and CCTV on your smartphone will be uploaded. No one ever needs to attend the premises - it can

all be done remotely. Please let the office know if you would be willing to be added to the list.

There are 16 workshops scheduled for the rest of the year, many are filling fast. Please use the link below to have a look at those on offer. We have interstate and international tutors as well as our popular local ones. We have a beginners' watercolour, jewellery, and ceramics to name but a few. Bookings can be made online or in the office during office hours.

Upcoming workshops

If you can be anything, please be kind.

NSACA Management Committee

PS: Please wear your lanyard or have it close by when you are in Wallace House.
