A Happy New Year to All!

I hope you all had a very merry Christmas and are looking forward to a happy and healthy New Year!

As always, we have a full and fun packed year ahead of us at Wallace House. This year we have a wide variety of workshops, a new journaling group and, of course, our wonderful, annual exhibitions.

The committee will also be looking into new and different fundraising ideas. I'm hoping we can come up with not just a way to raise funds but also create a great social event that we can all enjoy. I will keep you posted. Any input and ideas will be appreciated.

Working Bee - 10th January

Unfortunately our cleaners were unable to do their end of year deep cleanse. As such, we are calling on all able (and not so able) bodied members to help get Wallace House ready for the new year. Any help will be appreciated. We can provide cleaning equipment, but if you are able to bring along a bucket with cloths, a window cleaner, or any other useful gizmo you have, it would be appreciated. Many hands make light work! Starting time is 9am.

I look forward to seeing you all soon.

ART JOURNALING & MIXED MEDIA COLLAGE

Friday afternoons - 1pm to 4pm
16 January 2026

A journal is a space to explore ideas and express yourself in any medium.

Unlike traditional art forms focused on a final product or sales, art journaling emphasizes the creative process and experimentation, allowing for playful exploration without the pressure of perfection. It can include drawing, writing, painting, collage or any mixed media.

Containers for Change

Please keep the bottles and containers coming. Thank you to Sandra and Paul Kelly for looking after them.

The bins are labelled and located inside the Ceramic Studio under the table on the car park side. Please support this fundraiser - every little helps as we endeavour to cover our increasing expenses each year.

If you prefer to take the bottles yourself to 26 Action Street, Noosaville our A/C no: C11576676
