### Sense of Soul

Join Jen Jay at Wallace House for an evening workshop of life drawing where you will be exploring the flow of the human form and tonal values.

Jen will guide you through step-by-step instructions of how to recognise light, shadow and elements while you refine your gestural mark making. "Sense of soul" is about seeing what's present in front of you and feeling confident to interpret your impression.

Learn how to journey into the art of figure drawing, all levels will gain confidence through progressive lessons of movement, proportion and composition.

Jen will demonstrate a combination of easy techniques for all levels.

### Materials

There is no materials list. Each week Jen will update you on which medium to bring for the next class.

Paper, easels and boards will be supplied.

**NB: The fee for the life models will be provided at an extra cost to the workshop fee. The cost for 8 sessions of models will vary between \$130 to \$160 per person depending on the number of participants. Modelling fees are payable in full on the first evening of the workshop.**
