Soup 'N Bowl

Our Soup 'N Bowl fundraiser was a great success. Everyone had a wonderful time and we raised over \$1,300.

Many thanks to the pottery group who donated their clay and time, producing beautiful and creative bowls. Thank you also to Margo Miranda for organising the event. Margo went above and beyond creating stunning table settings and organising an array of tasty soups. Thank you everyone for your efforts in making the event a success.

Noosa Open Studios

Noosa Open Studios is fast approaching. Please take note of the following important dates:

- **All artwork is to be collected from Wallace House before Thursday 6th August.**

- No groups will be held on the weekend of the **8th and 9th August** for art drop and hanging, or the **29th August** for artwork collection.
- No groups **from the 14th to 23rd August** for the duration of NOS.

This year NOS have obtained funding for a **People's Choice Award**. The NOS Committee will be providing QR codes for visitors to vote on their favourite works of art. Both artists and voters can win a variety of prizes on offer. I will be updating volunteers on how to guide visitors on the voting process.

Volunteer rosters are up in the Gallery. Your help would be greatly appreciated.

Hampers

We are hoping to make up a few good quality hampers to put in the raffle for NACA during Noosa Open Studios. We are looking for wine/spirits and suitable food items. Any donated items can be placed in the provided container in the office. Your help will be appreciated.

Silent Auction and Raffle

We have received several pieces of artwork by renowned artists for this year's raffle during NOS. We have received works from Carol Watkins, Stacey Peterson, Clare Riddington, Kevin Dick and Di McInnerney. Daniel Butterworth, an Archibald and Doug Moran Portrait Prize finalist has donated a piece of artwork he completed during a workshop he held at Wallace House earlier in the year. We will be conducting a silent auction of his work to raise funds.

Health and Safety

It is important that we respect the health and safety of other members by staying at home if we are feeling unwell and displaying symptoms such as coughing and sneezing. Not only is it important for our own health, but the health and safety of others around us. Please consider others.

Shopping Bag Donations

Thank you everyone who donates shopping bags to Wallace House, we really appreciate your support. From now on we will only be accepting clean, good quality paper shopping bags. We are no longer accepting plastic shopping bags. If you have soft plastic bags at home, they can be recycled through the soft plastic collection points at participating Woolworths stores. Thank you for helping to reduce plastic waste.

Xmas Market

We all know how quickly time passes, so it's time to start thinking about making gifts for our

annual Christmas Market. They are always well attended and a great opportunity to get your art and craft work out into the community.

Keep well and be happy.

This unframed painting by Daniel Butterworth was donated to Noosa Arts and Crafts Association as a fundraiser. The painting is signed by Daniel and is shown here during its creation. It is on cardboard which is Daniel's signature canvas for the majority of his art.

Daniel is an Archibald and Doug Moran Portrait Prize finalist. He is an established figurative and landscape artist, richly expressive and gestural. Daniel's loose and free approach to his medium is both captivating and spontaneous.
